SUNBURY, Vic. 3429.

Dear Sir,

SUNBURY POP FESTIVAL

We wish to confirm our telephone conversation of January 24th advising that we will now be supplying to Odessa Promotions at Sunbury 200 toilets consisting of approximately 175 galvanized pan type toilets and 25 ABC Fibreglass toilets. As this varies slightly to the original number of toilets we advised would be supplied, we have increased the footage of urinal being constructed to 150 feet and feel sure that this will compensate for the sewerage loss incurred with the lesser number of fibreglass units.

We also wish to confirm we have been requested by Odessa Promotions to have available at short notice extra pan type toilet units and also material to construct approximately 100 feet of urinal should it be required with larger numbers than anticipated attending the Festival.

Yours faithfully,
FERROMETAL TRADERS PTY. LTD.

G.A. O'CONNOR
Director.
