

SHIRE OF BULLA

SUNBURY "SUMMER HAPPENING"

Council desires to clarify the position in respect to the recent Sunbury "Summer Happening", and advises that no legal power was available to Council to either grant nor refuse a permit for such a festival.

Further, Council has agreed to support a recommendation, that Legislation be enacted to provide the Authorities with the necessary powers to control any future similar functions, either within this municipality or other areas of the State of Victoria.

JOHN M. KELLY  
SHIRE SECRETARY

MR. BOARDMAN,

PLS INSERT THIS AD. IN THE REGIONAL ON THURSDAY  
23RD MARCH.

THANKS - MARGARET
